

POLICIES AND PROCEDURES

Absentee Policy

If your child is not going to be at Proletics for any reason, it is *imperative* that you let us know in advance, but *no later than 12 noon* on the day of the absence. You may call, text or email us at proletics@gmail.com, as we check email regularly.

Administration of Medication

Proletics After School will dispense medication with written parent authorization. Authorization must include date, child's name, medication name, prescription number, as well as date and time the medication is to be given. The medication must be in its original container. If any medication is sent via your child, parents should notify the school via email at proletics@gmail.com to alert us of the situation.

Health

Proletics follows the Hillsborough County School health guidelines in reference to communicable diseases, fevers, and head lice. According to Florida State Law, children who are ill cannot remain at the Proletics building. Being ill includes severe coughs or sore throats, unclear nasal discharge, undetermined rash or spots, temperatures over 100 degrees, severe headaches, upset stomach, and diarrhea. If a child becomes ill, a parent will be called and asked to come and pick up the child. The child will be isolated from the rest of the children until the parent arrives. All parents will be notified when a communicable disease is introduced into Proletics After school environment.

Inclement Weather

Proletics After school program follows the same inclement weather guidelines as the Hillsborough County School system. Please stay tuned to your local weather alerts and closings. If Hillsborough County closes due to inclement weather Proletics will be closed as well.

Statement of Smoking

Proletics Martial Arts & Fitness is a completely non-smoking facility.

Food

Proletics After School provides vending machines for the students to buy snacks from. Please let a Proletics staff member know if your child has any food allergies in writing.
